

RUNNING 4 RESETTLEMENT 2016

HOW TO REGISTER AS A FOREIGNER for the KIM DAE-JUNG PEACE MARATHON

1. Open your browser to the marathon website: <http://dipeacerun.com/>.
**You will need to have your ARC and/or passport, as well as your address information, ready.
2. At the top of the page, you will see 5 buttons. Hover your mouse over the third button, labeled “신청/조회” (“Applications/ Inquiries”).
3. Five options will pop up underneath. Select the 4th option, “외국인신청” (“Foreigner Applications”).

The screenshot shows the homepage of the KIM DAE-JUNG PEACE MARATHON website. At the top, there is a navigation bar with several buttons: "대회안내", "코스소개", "신청/조회", "기록조회", and "커뮤니티". A red box highlights the "신청/조회" button with the text "Hover your mouse over this...". Below this button, a dropdown menu is visible, and a red circle highlights the "외국인신청" option with the text "...then click here!". The main banner features a large image of a marathon race and a portrait of Kim Dae-jung. Text on the banner includes "2016.6.12 (일) 09:00", "여의도 한강 시민공원", "하프, 10km, 5km, 2km 걷기", and "보통사람들의 김대중운동, 김대중평화마라톤". At the bottom, there are sections for "알립니다" (News & Notice), "대회기념품" (Souvenir), and "무통장 입금계좌" (Bank Account Information).

4. Fill out your personal information in the relevant fields.

****Warnings:**

- For some reason, the form asks for sex twice (in the 4th field & 7th field). Use only the 4th field of the form, or your registration won't go through.
- The “Find Post Number” pop-up tool is temperamental. It is best to know your address in advance so that you can fill in the information manually.

5. When you are finished, select “**Insert**” at the bottom.
